BIG THREE STAY UNBEATEN

Division One leaders **Premier Warriors**, **Northampton** and **GAC** all came through this week's away games unscathed, beating **Tamworth**, **Aylesford** and **Warwick University** respectively.

Tile Hill Trojans also went to HM Prison and defeated **Onley Outlaws** to register their first win.

Division Two pacesetters **Nuneaton Knights** made it four from four against **Woodway Nuggets**, with their closest challengers **Warwick Juniors** strolling to a big win at **Tile Hill 3**. The two **Trojans** teams have yet to gain a victory and **TH2** went down against **RC Rebels** at President Kennedy School. Some of the **Woodway** players were taking part in their third game of the week at **Nuneaton**, for they had beaten **Arden** on Monday then were part of the **GAC** team at **Warwick University** on Tuesday, before the trip out of Coventry on Wednesday.

TABLE EQUIPMENT NOT UP TO STANDARD

There have been several reports from referees in the games which have taken place so far this season that the standard of table equipment is not up to standard. It is important that this is corrected as soon as possible in order to run an efficient well-managed game.

Clubs who do not have a full set of equipment can purchase them from England Basketball and the full set is not that expensive.

It is vital that **ALL** clubs have a visible clock and scoreboard along with other items such as foul and team foul indicators, and audible signalling.

Clubs requiring assistance can get this from our table officiating guru Niki Cross and she is contactable on niki.cross@warwickshirebasketball.co.uk
